

# ON-DEMAND PROJECT MANAGEMENT

Accelerate Your Project Success With Tailored PM Solutions

Get expert PM muscle exactly when your business needs it. From kick-off through close-out, our PMP-certified SMEs plug in seamlessly – no recruiting, no overhead, just results.

Whether you're new to PM methodologies or have a specific project need, we fit exactly where you need us. NPG On Demand is your plug-n-play PM resource, without the overhead, to meet your project expectations for on-time delivery, every time!

## Why Choose NPG?

- **Expert Access, Anytime:** Get direct support from seasoned Project Managers. Whether you need strategic guidance or a quick answer, our experts are just a call away.
- **Scalable Support, No Extra Headcount:** Project demands fluctuate, but your team size doesn't have to. We step in when workloads surge, so you stay on track without the need to hire.
- **On-Demand PM Assistance:** We dive into the nitty-gritty—status updates, risk logs, issue tracking, and budget reconciliations—so you stay laser-focused on strategy.

## Services at a Glance

### Professional Project Management

Tap into certified PMPs to drive execution, manage timelines, and keep your program initiatives on track and on budget.

### Training Support

Elevate your team with interactive workshops and webinars on PM fundamentals, detailed processes, and best practices.

### Custom PM Templates

Whether you need one template or building a tailored playbook, we have scalable PM templates for any sized project.

### PM Intelligence

Plug into a real-time stream of white papers and in-depth articles, backed by standard PMBOK practices for sustainable project success aligned to your business needs.

## Here's How It Works

### Schedule a Call

Connect with our team to talk through your project challenges, goals, and what support looks like for you.

### Choose Your Plan

Pick the tier that matches your workload and budget. Get the right level of support at the right time.

### Activate Your Experts

Once you're set up, our PM squad becomes an extension of your team. From risk mitigation to resource leveling, we tackle the heavy lifting so you hit every milestone - on time, on budget
