

# ON-DEMAND QUALITY & COMPLIANCE SUPPORT

Flexible Quality Solutions That Scale With You

**Elevate your quality and compliance capabilities without adding headcount or scrambling for resources.**

NPG On Demand offers a flexible engagement model that plugs you into experienced quality and compliance professionals the moment you need them—whether you're building your QMS, preparing for an FDA inspection, or optimizing validation protocols.

With a predictable monthly investment, you gain on-tap access to seasoned SMEs, proven templates, interactive workshops, and tailored services—so you can confidently navigate evolving regulations, drive continuous improvement, and keep product launches on schedule. NPG's team becomes your partner in quality excellence, scaling alongside your business as demands shift.

## Why Choose NPG?

- **Expert Quality Partners, Anytime:** Tap into our team of seasoned quality professionals—whether you need strategic road-map development or rapid troubleshooting, our experts are just a call away.
- **Flexible Capacity, Zero Hiring Hassle:** Quality workloads ebb and flow; scale your support seamlessly without adding headcount, recruitment headaches, or overhead.
- **On-Demand Quality Solutions:** From daily QMS maintenance to risk-based strategy, audit readiness, and real-time compliance intelligence—get the right expertise exactly when you need it.

## Services at a Glance

### Strategy & SME Support

Partner with seasoned quality strategists to build your roadmap. We can conduct gap analyses, drive compliance assessments, and deliver full-suite Commissioning, Qualification, and Validation (CQV) services to set you up for success.

### QMS Support

Leverage dedicated QMS professionals to handle your data entry, manage and implement robust systems, and transform SOPs so your processes run smoothly and scale effortlessly.

### Inspection Readiness

Stay audit-ready with expert planning and execution, thorough investigation management, continuous quality improvement programs, metrics monitoring, and proactive supplier oversight.

### Training Support

Empower your team with engaging workshops and webinars covering quality requirements, processes, and best practices—ensuring everyone is confident and compliant.

### Professional Project Management

Tap into certified PMPs to drive execution, manage timelines, and keep your program initiatives on track and on budget.

## Here's How It Works

### Schedule a Call

Connect with our team to talk through your quality and compliance challenges, goals, and what support looks like for you.

### Choose Your Plan

Pick the tier that matches your workload and budget. Get the right level of support at the right time.

### Activate Your Experts

Once you're set up, our quality team leaps into action—validation, audit prep, strategy, and training—handling every detail so you can stay focused on your next milestone.
